

Nevada Standards Alignment Guide Grades 6-8 Financial Literacy

As a teacher, in addition to an interactive digital course aligned to your state standards, you'll also receive:

- Real time reporting to see your students' baseline knowledge and growth
- Offline lesson plans and discussion guides
- Access to EVERFI's ever-growing library of digital curriculum

After taking this course, your students will understand and be able to demonstrate real world connections for topics like:

- Opportunity cost
- Banking basics
- Credit cards and debit cards
- Financing higher education
- Saving and investing
- So much more
